Digital resources of the Adam Mickiewicz University Library

Through the Collegium Polonicum Library all students can set up a reader account at the Adam Mickiewicz University Library in Poznan.

Registered users of the AMU Library have access to all digital publications made available from the library website:

<http://lib.amu.edu.pl/>

The screenshot displays the website of the Adam Mickiewicz University Library in Poznań. At the top, the logo of the 'Biblioteka Uniwersytecka w Poznaniu' is visible on the left, and the AMU crest is on the right. A large green arrow points from the text above to the website. The main navigation bar includes links for GENERAL INFORMATION, RESOURCES, SERVICES, EDU CENTRE, ON LIBRARY, AMU LIBRARY SYSTEM, and ANNOUNCEMENTS. The RESOURCES menu is expanded, showing a list of digital resources: Multi-search engine, Library catalogues, Databases, Trail runs of databases, E-books, E-periodicals, PRESSto, AMU research journals, AMUR repository, Digital libraries, and Access to the licensed electronic resources. Below the menu, there are two large images: one of two female students walking and another of a male student walking. To the right of these images is a vertical sidebar with five buttons: Opening hours, Training sessions information literacy, Signing up, Catalogue, and Reader's account. At the bottom of the page, the AMU logo and name are on the left, and the logos of the European University Viadrina and the University of Frankfurt (Oder) are on the right.
