How to use digital resources in the Collegium Polonicum Library
Digital resources

The Collegium Polonicum Library (BCP) does not collect electronic literature, therefore electronic items cannot be found in our library catalogue (OPAC).

However, the electronic resources of the partner libraries can be accessed from any computer in the reading room of the library:

• Resources of the Library of the European University in Frankfurt (Oder) via:
  ➢ catalogue of the Library of the European University in Frankfurt (Oder) - EUV OPAC: [https://opac.europa-uni.de/](https://opac.europa-uni.de/)
  
  ➢ ViaCat multi-search engine on the website of the Collegium Polonicum Library: [https://viacat.kobv.de/](https://viacat.kobv.de/)

• Resources of the Library of Adam Mickiewicz University in Poznan are available for registered readers of the AMU Library on the library website.

What is ViaCat?

ViaCat is a multi-search engine:

[https://viacat.kobv.de/](https://viacat.kobv.de/)

In ViaCat, you can search simultaneously:

- Catalogue of the Collegium Polonicum Library
- all resources of the Library of the European University Viadrina
- articles from electronic journals which are freely accessible on the Internet
- interlibrary loan resources of the German science library network
Digital content in ViaCat - Step 1

Digital resources of the Adam Mickiewicz University Library

Through the Collegium Polonicum Library all students can set up a reader account at the Adam Mickiewicz University Library in Poznan.

Registered users of the AMU Library have access to all digital publications made available from the library website:

http://lib.amu.edu.pl/
Further information

We invite you to watch the training videos on the [YouTube channel](https://www.youtube.com) of the European University Viadrina Library:

- **Wie finde ich ein E-Book?** (in german)

- **How to find e-journals and online journal articles?**

- **Set up a VPN connection**
  (to access from outside the university network)

Library staff can also provide assistance and information.
Thank you for attention!
